Do you know where book- Practical Business Library

These twelve books show the way that pays in every department of modern business. They give you a business education that is broader and more practical than a lifetime's experience. They cover in detail everything that is likely to come up in the daily work of a business organization. They help you today because you can turn to the volume dealing with your immediate problem and take up the others in the order which will help you most.

No large fees, no study courses on subjects that do not interest you; no examination papers to fill out. Just twelve practical helpful books that tell you the things you want to know.

Let us tell you about them—how much they can help you and how little they cost. Write today for descriptive circular and details of the liberal plan of payment.
